A good, live merchant can sell \$40,000 worth of merchandise per annum, the party buying the stock can get the store-room at a low price for one year or longer if they want it. MATRIMONIAL.

Henry Elam, of Tennessee, and Miss Lizzie Hutchison, were married here Wednesday.

James Ross, a widower of 51, and Mrs. Rosa Smith, a widow of 30, were married on the 19th.

A double wedding was solemnized at Columbia Wednesday, the contracting parties being N. M. Tutt and Miss Mary A. Smith; George Stults and Miss Myrt Staples, all of that city.

Mr. Charles A. Hardin, of Harrodsburg, and Mrs. Ida Sha w, of Woodford county, were quietly married Tuesday afternoon in the Phoenix Hotel parlor at Lexington, the Rev. H. B. Folk, of Harrodsburg, officiating. A few relatives and friends gathered for the ceremony and the couple left immediately afterward for a short trip, and will then go to Harrodsburg to make their future home. The bride, formerly Miss Holmway, of Woodford, is a charming woman. Mr. Hardin is Commonwealth's attorney in this district and is well known and popular over the State. Only a few intimate friends and relatives were present at the marriage.

The Children's Delight

When you consider the terrible times you used to have in childhood under the infliction of castor oil, salts and senna, brimstone and treacle, and other horrors, you can perhaps appreciate the children's delight with such a pleasant medicine for impure blood, stomach or bowel troubles, as Dr. Caldwell's (laxative) Syrup Pepsin. Besides being pleasant to take, it is unequalled by any other medicine in the wide range of its curative powers for nearly all children's diseases. Sold by G. L. Penny, Stanford, C. W. Adams Hustonville, at 50c and \$1.00. Money back if it fails.

Everybody shops but father,
He just works all day;
Hustling 'round for the coin,
Christmas bills to pay.
Mother rushes counters,
So does Sister Ann;
Everybody shops at our house
But my old man.

A Happy Home

Is made perfect, when perfect health reigns within its doors. This is best insured by always keeping Dr. Caldwell's (laxative) Syrup Pepsin on hand and father, mother and children taking a few doses at the least sign of stomach, liver or bowel trouble. Always relieves and cures. Sold by G. L. Penny, Stanford, W. C. Adams Hustonville, at 50c and \$1.00. Money back if it fails.

Walsh was largely interested, have been compelled to suspend business by order of the Controller of the Currency, and will go into liquidation. Grip Quickly Knocked Out.

"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of la grippe with all its miserable symptoms," says Mr. J. S. Egleston of Maple Landing Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip."

It is a good plan to take a dose of the Tablets when you have a cold. They promote a healthy action of the bowels, liver and kidneys which is always beneficial when the system is congested by a cold or attack of the grip. For sale by all druggists.

Christmas coming!
Hully gee!
Mother's on her
Shoppin' spree.

HUSTONVILLE.

D. H. Skinner is at home from Stonega, Va., to spend the holidays.

James Yowell sold a bunch of 800-pound cattle to D. C. Allen at 23c.

Don't forget the big Christmas tree at Alcorn's Opera House Saturday night, Dec. 23rd. Everybody come.

As bad and unpropitious as Saturday was, a stream of Christmas shoppers thronged our business houses until the twilight began to wane.

The fiddlers and jig dancers contests at Alcorn's Opera House, Thursday night, Dec. 28, promises an evening of joy unconfined for young and old.

A Christmas tree at the opera house is being arranged for Saturday night, Dec. 23. This promises to be the largest affair of the kind ever given in our city.

Our bank will soon install a large number of individual safes to properly systematize the keeping of valuable papers, etc., for their large list of patrons.

P. W. Green and D. S. Carpenter returned from a week's hunt in Casey with a dozen birds. J. H. McHargue sold two cows to E. L. Siler, of Pulaski, for \$70.

The carrier on Rural Route No. 1 from our city, desires through these columns to graciously thank the patrons who have so kindly and substantially remembered him and he wishes them a merry Christmas and prosperous and happy new year.

A Fiddlers' and Jig Dancers' contest at Alcorn's Opera House Friday night, Dec. 29, interspersed with musical renditions, comical character sketches, etc., making altogether the greatest laugh producing program that ever came down the pike, and at all popular prices. Secure your seats early at Yowell's.

Thomas Green, of Springfield, Ill., is visiting Evan Lyon and family and other friends and relatives in the land of his birth, the West End. Miss Sara Baughman, of Stanford, was the guest of her uncle, J. K. Baughman, and family the past week. Mrs. M. T. Williams has returned from a protracted visit to friends and relatives in Lexington.

We undoubtedly have the champion wing shot of not only Kentucky, but the entire South in the person of Mr. Emmett McCormack, who killed 45 straight birds at 45 shots and the failure of his gun to fire let the 46th bird escape. A number of reliable gentlemen were with Mr. McCormack and will testify to the correctness of the above. The former record is 32.

Mrs. Sophia Carpenter gave an elegant dinner on the 17th in honor of her mother's 75th birthday. A large coterie of relatives were present and friends and neighbors were substantially remembered. No Parisian chef can equal the cuisine art of Mrs. Carpenter, whose fame for years while hostess of the historic Weatherford Hotel brought thousands to our midst who truly sing her praises with us to-day.

From personal interviews I find that a majority of the Board of Education of our graded school favor building a home for the school instead of buying one not adapted to their wants and badly out of repair. They have plans for a building that is nearly perfect, the rooms of which have folding and closing partitions, when opened the entire floor except cloak rooms is thrown into a large auditorium. A slack burning furnace will heat the entire building, to which there will be only one chimney and the cost will be a saving and the building a model for the purpose.

A Commercial Club will be organized in our city this week. Prominent among the many things of interest to our city and community to be looked after by this organization will be an organized effort to induce the location of a railroad line by our city, that is to be surveyed down Green River valley, passing the newly discovered coal fields on Goose Creek, which are destined to be developed in the near future, besides penetrating a timber country abounding in immeasurable quantities of walnut, ash, poplar, oak and pine and connecting at Scottsville with the line to Gallatin and Nashville. Also to assist in organizing a local company for the purpose of developing natural gas that undoubtedly lays beneath us awaiting an outlet. Many years since a well was drilled for water on Main Street and at a depth of about 100 feet a good flow of gas was struck and the well was plugged. Inducements to manufacturers, such as a woolen mill, broom factory, tobacco factory, handle factory, dogwood and gum strips for shipment to Germany for mill shuttles, etc. There is no reason why this can't be done through the efforts of four commercial club, which has the interests of our city and community at heart and will make a long and strong pull, and a pull all together is sure to succeed.

When you want a pleasant laxative take Chamberlain's Stomach and Liver Tablets. For sale by all druggists.
